

G.A.T.E. America, Inc. continues to offer the most up to date training to Law Enforcement. **Gang Awareness and Recognition**

is a must for officer's working against violent street gangs. Every law enforcement officer needs to know how to recognize gang members beyond just the gang colors.

They need to understand recruitment techniques, new trends such as internet activity. Street gangs make up one of the most adaptable organizations facing law enforcement today. An 11 year-old child can be acting as a lockout for a drug gang or committing an act of criminal defacement by placing gang graffiti. Do your police officers know what to look for?

This course which is a full two-day 14 hours course covers, gang recruitment, gang initiation, bullying issues, gang recognition of signs, symbols, colors and graffiti and internet activity. Current drug and gang trends from both local and national level will be covered. In addition Officers will learn how to talk to parents on how to keep their children gang free.

All new and updated material including information on drug concealment and transportation methods.
